Enameling: Learn to Cloisonne
08SMA021A

Instructor: Kelly Conroy
Saturday, July 19, 12:00 PM to 4:00 PM
1 class / All Levels / Enameling Studio

Tuition and Fees: Non-Member Fee: \$50.00 / Member Fee: \$45.00 / Materials Fee: \$25.00

Continue your enameling experience with Cloisonne! This is the technique that many envision when they hear the word enamel. The technique starts with a design that is created out of fine silver wire. The wire creates little cells (Cloison - cells or divisions) which are filled with brightly colored enamels and then fired at 1350 degrees. It is a fun and rewarding class in which we will start and finish an entire pendant during the class time. Class limited to 8 students.

Intro to PMC (Precious Metal Clay)
08SMA104A

Instructor: Joanne Snow
Wednesday, July 23 – Friday, July 25, 9:30 AM - 12:30 PM
3 classes / All Levels / Enameling Studio

Tuition and Fees: Non-Member Fee: \$105.00 / Member Fee: \$96.00 / Materials Fee: \$55.00

PMC is an exciting material developed in the 1990's. It consists of microscopic particles of silver suspended in an organic binder which creates a material similar to clay. In this class we will explore basic techniques for making fine silver jewelry with PMC. Topics covered include: types of PMC, tools, basic shaping, texturizing, stone setting, firing, burnishing, finishing, and patina. No previous experience with PMC is required.
